GROWING IN POPULARITY

Great Crowd Attest to Progress of Racing in Cuba

Better Sport in Prospect with End of Rainy Season and Improved Track Conditions.

HAVANA, Cuba, December 18.—The importance to which racing in Cuba has grown under the progressive management of Frank J. Bruen and his associates in the Cuba-American Jockey Club was strikingly illustrated by the running on Sunday, December 12, of the Antilles Stakes, which, although one of the least valuable of the twenty-one stakes to be offered here, brought out to the course on that day the largest and most fashionable concourse of patrons, both Cuban and American, that has ever been gathered within the confines of Oriental Park. And the vast assemblage voiced its approval in no uncertain manner by the way in which it cheered the winners and otherwise gave vent to its feelings. The racing has "caught" on with the Cubans and today Oriental Park is rightfully regarded as Havana's greatest and most fashionable outdoor amusement park.

The great popularity of the sport in Cuba was also emphasized on the afternoon in question by the caliber and representative character of the participants in the afternoon's outstanding feature. In recent years the track management has been devoting its energies in an effort to attract the most respresentative stables to Cuba for a winter's campaign. This year success has crowned these efforts to a marked degree and the list of owners represented in the Antilles Stakes affords an excellent index of how highly Cuban racing is now regarded. The victory of Pomerene, owned by the Cuban Armonia Stable, was a most popular one and reflects much credit on his owner E. Fernandez, who, since the retirement from racing of Senor A. H. Diaz, has become the foremost figure among the Cuban owners. The Armonia Stable to date leads the winning stables in Cuba and gives excellent promise of maintaining that enviable position.

These are halcyon days for the members of the American racing colony here. Since the ending of the rainy season the weather has been truly delightfunl and if past records are a criterion it will continue so to the end of the racing season. Warm, genial days and brilliant tropical nights, the latter conducive to the most refreshing sleep, leave little to be desired in the way of climatic conditions. Since fast track conditions succeeded the muddy spell of the first two weeks the racing has been satisfying, highly formful and of better quality than ever before seen in Cuba. It will not be long before many of the existing track records will be equaled or surpassed, as the track is now in excellent condition and most of the good horses that were tardy in rounding into form are now in action. With the near approach of the running of the most valuable of the stake fixtures of the season the more noted of the horses will be seen under silks. The change in the conditions governing claiming races has proved eminently satisfactory to the horsemen and has resulted in only two claims being made so far this season. Under the former regulations anyone was privileged to register a claim for a horse in a selling race, but under the Kentucky system recently adopted only owners represented in a race can make a claim in that race.

W. H. Hall's Dolph, which came here unheralded and unknown, is the most improved horse shown so far. He has started four times and been returned a winner each time. He is a three-year-old bay gelding, by Brummell—Thrilled, and was bred by A. L. Ferguson. He had been racing in the Far West up to the time he was shipped to Latonia last fall. He started several times at Latonia, but did not win a purse.

The record of Pomerene is second only to that of Dolph. Pomerene has already won three races, including the Antilles Stakes. He was summered in Cuba, together with the other horses belonging to the Armonia Stable, and the long rest and climate appears to have benefited him greatly, as it has also benefited the other horses that remained on the island since last winter.

Oriental Park now boasts of what is the most complete paddock building in America. It contains a spacious office for the racing secretary, commodious quarters for the jockeys, an up-to-date printing plant where the daily programs and other paraphenalia used on the track are printed, a model hospital and a large press room where the eighteen Havana daily newspapers are kept on file.

Charles A. Stoneham and John J. McGraw have returned from their visit to New York, where they went on business connected with their baseball interests. Both going and returning they were passengers on the big seaplane that carries passengers and mail daily between Havana and Key West. Many of the American visitors to Cuba are now availing themselves of this novel method of crossing the Florida strait.

RACING RECORD OF DEAD KEY MAR

Key Mar's troubles are over and he has found a grave in an alien land. Never much of a race horse, he could hold his own pretty well among his own kind and this was his most successful year. Prior to being killed he had not won at Tijuana, but the short dashes there were so favorable to him that he no doubt would have done so presently but for the accident that intervened. His record in racing was:

Key Mar, ch. g. (1912), by Bryn Mawr—Belle Acton, by Bermuda.

Year.	Age.	Sts.	1st.	2d.	3d.	Unp.	Won.

GOOD START AT TIJUANA

Racing at Far Western Track Flourishing—Over 800 Horses There.

(BY GEORGE W. SCHILLING.)

SAN DIEGO, Cal., December 18.—With twenty days of racing at Tijuana a matter of history, the winter season at the Mexican course is well under way. Truth to say, Tijuana has never before got away to as good a start as it has this winter. The fact that the commodious plant has an abundance of fair class thoroughbreds within its confines ready to race has made the fields large and the contests thrilling and interesting. In former years Tijuana has gone abegging for racing material and every legitimate method was used to bring a better grade of running horses here. In striking contrast to other seasons the American horsemen have answered president James W. Coffroth's offer of increased purses and bountiful stakes with a liberal patronage that filled his barns to capacity and caused the hurried erection of 200 additional stalls. Today we find the horse population at Tijuana exceeding the 800 mark, with every barn filled.

The outstanding feature of the past racing days of the present season has been the consistent running of four thoroughbreds—Wallace L., Nepperhan, Hubbub and Mex. The first mentioned three-year-old son of Tony Bonero—Bessie Latimer has faced the barrier five times and has won four of his races. In his initial endeavor owner Frank Barton intrusted the black gelding to jockey J. Shil ing. Unhappily it fell to Shilling to bring about the only defeat suffered by Wallace L. during the Tijuana meeting. Shilling got him away poorly and, under an incompetent ride, the horse finished on his own courage, being beaten but two necks by Sedan and Myrtle A. Since then Wallace L., with jockey Dority in the saddle, has met Sedan and Myrtle A., conceded them weight and has shown himself to be convincingly the better horse.

The rejuvenated Mex, an eight-year-old son of Mexican—Eastern Shore, has annexed three purses for the western horseman J. A. Parson. The old fellow seems to have taken on a new lease on life. His victories have been over platers of the sprinting division, but on each occasion he was forced to come from far back to win.

William ("Red") Walker, who claimed Nepperhan in eastern Canada last October, acquired a good handicap horse in this steady-going son of King James. Up to date the horse has won the Opening, Loma Portal and Caballero Handicaps. He has enriched his owner to the sum of $1,750, and as he is going along in a sound manner and is entered in all of the long-distance stakes, Walker should enjoy a most profitable season with this horse in particular.

OLD HUBBUB A SURPRISE.

The aged Broomstick gelding Hubbub is another old campaigner that has surprised the Tijuana racing public. A one-time good class horse, Hubbub now races on legs that are unsound. However, the old fellow finds the soft, new top dressing of the Tijuana track kind to his dicky underpinning, with the result that he has won two races out of three starts.

Horsemen here are elated with the present condition of the newly dressed mile course. They point to the fact that bad-legged horses extend themselves over it, the soft loam acting as a cushion. It is a remarkable fact that but one horse has pulled up lame while racing over it, and that was Red Cloud.

C. B. Irwin, the Cheyenne, Wyo., horseman has a most promising apprentice rider in Dave Hurn, a sixteen-year-old lad who hails from Oklahoma. The youngster, who is still in short trousers, can ride at eighty pounds and seems to be a natural born horseman. A diamond in the rough, the boy requires the one thing necessary to all embryo jockeys—experience. Owner Irwin, who has thirty horses here in training, is giving him every chance possible and the youngster has shown a world of improvement since accepting his first mount. He has won six races, one of which was accomplished astride of Horace Lerch, a most unruly horse to handle. The other apprentice riders who show fair promise of developing into successful jockeys are H. Jones, B. Marinelli and Whittington. The latter boy is gaining weight fast and has difficulty in doing 109 pounds.

Horsemen here seem determined that owners running horses cheaply to find soft spots shall find that practice an unprofitable experience. C. B. Irwin has joined the claiming brigade and during the last ten days he has led Babylonian, Horace Lerch, Capon and Rifle to his barn via the claiming route. He in turn has lost Reydo and Riposta, but reclaimed the latter mare last week on the occasion when she bled badly during the running of the race. Owner William Walker lost Cork to John Strite, but refilled the empty stall with the smart two-year-old colt Chow. J. A. Jarson took Booneville from William Weant and now owns a horse which has been entered in all of the stakes. Frank O'Rourke, who will be remembered as having won the Burns Handicap with The Fretter in the bygone days when racing flourished in California, lost his only racing tool when William Weant led Sam Hill to his barn. It was a sad blow to the "honest blacksmith," as he is known, as he has had this one horse since his two-year-old days.

Harry Morrissey still continues to send the horses away in the faultless style which has caused horsemen and public alike to proclaim Morrissey as the equal of any starter in America. Whether he accomplishes a start from a standing or moving position the results are the same. The horses seem to leave in perfect alignment. Morrissey has perfect control over the riders, which, after all, is one of the secrets of his success. What makes his work at the barrier remarkable is the fact that he has to contend with many horses which have been starting at the fairs with a flag and no barrier and are used to running and wheeling at the start.

SUN BRIAR COURT'S SPLENDID PAIR

Based on the engagements being made for the 1921 and further stakes by Mr. Willis Sharpe Kilmer of Sun Briar Court, Binghamton, N. Y., the best in the stable are the now yearlings, colt and filly, Sunreigh, the chestnut brother to Sunbriar, by Sundridge—Sweet Briar, by St. Frusquin, and Dinahmuer, the bay daughter of Allumeur and White Dinah, by The White Knight. Sunreigh was born in this country after his dam had landed here. He is said to be a superfine individual. Dinahmuer is valued highly and is fast to the point of precocity.

TWO WINNERS FOR J. McCOY

Rides Perhaps and Sol Gilsey to Victory—Sister Susie Scores Narrowly.

HAVANA, Cuba, December 18.—J. O. Keene's good apprentice J. McCoy, who came to Cuba with the division of the stable handled by E. Brewster, rode two winners at Oriental Park this afternoon when he landed Perhaps and Sol Gilsey home in front of their opponents. Perhaps made all the pace and won in a driving finish from Flewhigh, while Sol Gilsey came from behind, closing with a rush in the stretch and winning going away.

The closest finish of the afternoon came with the running of the fifth race, when Sister Susie just managed to last long enough to beat Black Prince by a nose. The Padgett stable, which won with Sister Susie, also furnished the winner in the seventh in Dewitt.

Merito Acosta, a member of the Louisville baseball club of the American Association and son of Baldomero Acosta, who was recently elected Mayor of Marianao, is now a full-fledged owner and made his turf debut this afternoon in the fifth race with the three-year-old Ina Wood carrying his colors. The filly was presented to Acosta by W. B. Knebelkamp of the Louisville club and is being handled by W. B. Finnegan, trainer for the Knebelkamp stable.

Mose Goldblatt received from James Rowe the list of names selected for the four H. P. Whitney yearling Goldblatt has in training here. They are:

Noon Time, ch. f. by All Gold—Idle Hour.
Payroll, ch. f. by Thunderer—Payment.
Rumple, b. or br. f. by All Gold—Gold Rumpus.
Pinnacle, b. f, by Pennant—Heart's Desire.

Legotal, which started in the third race under the colors of Mose Goldblatt, was sold at private terms to J. J. Keyes, a local merchant.

W. Crump, who was scheduled to ride Wishing in the first race, was unable to make the weight, 105. Garner acted as his substitute.

Hoenir, the winner of the fourth race, ran the three-quarter mile in 1:14⅘, the fastest time for the distance hung up at this meeting.

The riders in the Cuba Three-Year-Old Mile Championship Stakes tomorrow are:

Bread Man, H. Garner.
Atta Boy II., B. Kennedy.
Mess Kit, A. Pickens.
Penelope, F. Hunt.
Hush, E. Barnes.

PLAN IMPROVEMENTS FOR DEVONSHIRE

NEW ORLEANS, La., December 18.—At a meeting of the directors of the Devonshire track, Windsor, Ont., held here, $300,000 worth of improvements, including a steeplechase course, new steel and concrete grandstand, new paddock, clubhouse and several stables were voted. Bradley Wilson, general manager of the Devonshire course, presided at the meeting, which was attended by Mayor E. R. Winter of Windsor; W. R. Wollatt, president of the Devonshire track; J. Fred Reed and P. J. England, also of Windsor; James Arthur, G. R. Bryson and G. H. Keene.

Last summer found the two Devonshire meetings among the most successful on the Canadian circuit, and as a result of this the directors at the local session voted the stockholders a 10 per cent stock dividend. The rest of the earnings will be put back into the racing plant in an effort to bring it up to the standard of any course in Canada. There is ample room at Devonshire to extend the grandstand and clubhouse so that several thousand more patrons can be cared for and thus avoid the congestion that continually prevailed last summer.

The addition of a steeplechase course will be a big thing at Devonshire, as it will attract the best jumpers in the country there. Neither the old Windsor track nor the Kenilworth course has jumping races, despite the fact that this branch of racing always proved popular to the turf followers of Detroit, and the Devonshire people will be filling a long-felt want. Lewis Garth and many other horsemen who race jumpers extensively have notified Mr. Wilson that they will do all in their power to make this end of the sport a success at Devonshire by sending their best fencers there.

YEARLINGS SHIPPED TO HOT SPRINGS

LEXINGTON, Ky., December 18.—Nine yearlings in the string of Phil T. Chinn have been shipped from the Kentucky Jockey Club track to Oaklawn Park, Hot Springs, where they are to be trained. They are:

Bay filly, by Sweep—Chicklets.
Chestnut filly, by Celt—Tuscan Red.
Chestnut filly, by Vulcain—May Orsini.
Chestnut colt, by Peter Quince—Flying Frances.
Chestnut colt, by Pataud—Hulme.
Bay colt, by Pataud—Dancing Wave.
Brown colt, by Colin—Sanicula.
Bay colt, by Maintenant—Sournoise.
Bay colt, by Plaudit—Lady Clara.

The yearling bay filly, by Horeen—Palms, has been sold by John B. Gorhan to J. H. Dorsey of French Lick Springs, Ind.

CURRENT NOTES OF THE TURF

Hugo Hanf, brother of Henry Hanf, the bookmaker, died Wednesday in New York and was buried Friday.

J. H. Rosseter is preparing to meet the Madden suit over Friar Rock. His lawyer is Mr. Dahlgren, son of the late admiral, and eminent in his profession.

The crack English rider—Australian by birth—Bernard Carslake, is on his way to the Antipodes for a winter visit. He comes to New York and crosses America to ship to Sydney from Seattle.

JOCKEY JOSIAH PROMISING APPRENTICE

Clarence Buxton, who has one of the largest stables at Jefferson Park, is confident that he has a coming star rider in jockey E. Josiah, a littel fellow who recently graduated from the maiden ranks on Madam Byng. This lad has had plenty of experience as an exercise boy, he having been with John Sanford's stable for three years, but he had ridden in only a few races when he piloted a winner. Buxton is giving Josiah every opportunity to make good by riding him frequently on his horses and he gets him quite a few outside mounts as well.

TIPPITY WITCHET VICTOR

Takes the Feature Race and Runs a Fast Mile.

Fair Grounds Folks Loosen Up and Provide Three Stake Races of Good Value.

(BY J. L. DEMPSEY.)

NEW ORLEANS, La., December 18.—The colors of L. T. Bauer, a local owner, were prominent this afternoon and two of his representatives, Tippity Witchet and Tableau d'Honneur, both acquired during the recent Bowie meeting, were victorious. Tippity Witchet met some of the best that could be mustered in these parts and truly comprising a formidable band in the $1,500 mile handicap, in which he carried 124 pounds and conceding weight to the speedy Eddie Rickenbacher in the early running moved into the lead just before reaching the stretch turn to win with speed in reserve. Dancing Spray landed in second place with Rapid Dity leading the others. There was considerable attention bestowed on Sterling in a betting way, but the running of the race found him far in the ruck, though he closed up some ground when some of the others began to tire. War Mask also ran below expectations.

The weather was threatening and a number of the turf followers, anticipating a downpour, refrained from journeying to the course, diminishing what would have been a record crowd to witness the sport. Intermittent drizzles did not affect the track to any appreciable extent and some of the races were run in fast time. Tippity Witchet's mile of 1:39⅘ under his heavy impost was a sparkling performance.

Betting during the afternoon was more voluminous than on any former day and the "exchange" was congested at all times during the afternoon. Favorites fared badly in the first three races, being beaten in easy style, but only after sharp struggles. Some of the finishes were again of the exciting variety, fitting with an excellent card presented for decision.

G. L. Blackford's Muskallonge made his local debut and conceded chunks of weight to the opponents he met in the three-quarters handicap for two-year-olds and beat them home in easy style, after having led under restraint for the entire race. For some unaccountable reason his price drifted back just before post time and it gave rise to foolish rumors. On his showing this afternoon he looms up as the best in these parts, unless his stablemate, Centimeter, proves his superior.

Jockey King, who has been riding in sensational form here, opened the day's proceedings by landing Tan Son, an extreme outsider, in front of Rolo, on which Coltilletti had the mount.

The just now, for a wonder, consistent Murphy upset what was intended to be a coup with Jock Scot, when he beat him to the finish by a small margin.

Hidden Jewel was the next favorite to go down, Tableau d'Honneur leading him from the start and never leaving the result in doubt.

Summer Sigh and Hindoostan, respective choices, had the finish of the sixth race between them, Summer Sigh drawing out in the last seventy yards.

Bud Fisher has added Rufus Riley, by private purchase, to his stable, but the horse will be kept under B. C. Bunbury's surveillance and training.

Secretary Joe McLennan of the Fair Grounds has announced that there will be three stakes, aggregating $10,000 in added money, to be run for during the coming meeting, beginning January 1. The first of the stakes, with $3,000 added, will be run on the opening day. The New Year's Handicap, a stake with $2,000 added, will be run near the middle of the meeting. The final stakes, one of $5,000, will be run on the closing day of the Mardi Gras festival. Entries will close for the New Year's Handicap next week.

Jockey King carried off riding honors today with three winners, a second and a third.

RESIGN FROM MONTREAL JOCKEY CLUB

J. K. L. Ross Succeeds Sir Montagu Allan as President of the Blue Bonnets Course.

MONTREAL, Que., December 18.—After continuing in office as president of the Montreal Jockey Club since its inception during the summer of 1905, Sir H. Montagu Allan yesterday afternoon resigned and Commander J. K. L. Ross was unanimously elected as his successor. Sir H. Montagu Allan gave pressure of business as his reason for resigning. Other members of the board also retired from office. A. E. Ogilvie resigned as vice-President and Colin Campbell resigned as a member of the board of directors. These gentlemen have also held office since the organization of the club. These changes will be ratified at the annual meeting of the club to be held early next March.

Commander Ross, in speaking of his election, stated that he had accepted the presidency of the Montreal Jockey Club due to the fact that Montreal was his home and he would do all in his power to follow his predecessor in making Blue Bonnets course one of the most attractive in Canada.

GERMAN RACING, BETTING AND BUYING

During the one hundred and thirteen days of racing over the Berlin, Germany, courses in 1920 the mutuel or totalizator take was in round figures $9,200,000 as compared with about $4,225,000 in 1919. These figures are those of current exchange and not of the much depreciated German mark.

There seems to be plenty of money in "broke" Germany for racing, for at the autumn sales at the Hoppegarten of Berlin three record prices were registered. The sum of 111,000 marks for a brood mare (Maja, foaled in 1911, by Spearmint—Majalis); 31,000 marks for a foal by Fantome—Maja, and 95,000 marks for a yearling colt by Biniou—Abwecholung, by Hannibal.

FOR CHRISTMAS

will be issued as a part and with the Winning Post of December 25 (not before Christmas, but ON CHRISTMAS). It will contain all sportsdom champs' photographs, whether man or woman or horse, if he or she or it is champion. The pictures will be in the Winning Post, together with a biography of performances. Settle all arguments for 1921, if you have any, after reading the Winning Post. In addition, it is a beautiful pictorial representation of men and horses that have excelled during the greatest year that sport has known since first man boxed and played tennis, and the horse ran, and indoor sportsmen shot the cue. Order from your newsdealer not before or after December 25, for there will be extras printed, but now is the time to get one if you want to have the pictures of the champ (not chump) before you when discussion comes up. It's the who's who of the sporting world. That is, the Christmas 1920 championship edition of the Winning Post picks winners for its winning host. The paper with a purpose, and that purpose the profit of its purchasers.
